

VENDETTA MINING CORP.

INFORMATION CIRCULAR

FOR THE ANNUAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD ON WEDNESDAY, NOVEMBER 6, 2024

This information is given as of Monday, September 30, 2024 unless otherwise noted.

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the management ("Management") of **Vendetta Mining Corp.** (the "Company") for use at the Annual General Meeting (the "Meeting") of the shareholders of the Company, to be held on Wednesday, November 6, 2024 at the time and location and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

All dollar amounts referenced herein are Canadian Dollars unless otherwise specified.

PERSONS OR COMPANIES MAKING THE SOLICITATION

The enclosed form of Proxy is solicited by Management. Solicitations will be made by mail and possibly supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining authorization from their principals to execute the Proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. None of the directors of the Company have advised that they intend to oppose any action intended to be taken by Management as set forth in this Information Circular.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of Proxy are directors or officers of the Company. **A shareholder has the right to appoint a person to attend and act for him on his behalf at the Meeting other than the persons named in the enclosed form of Proxy. To exercise this right, a shareholder shall strike out the names of the persons named in the Proxy and insert the name of his nominee in the blank space provided, or complete by executing a proxy in a form similar to the enclosed form of Proxy. The completed Proxy should be deposited with the Company's Registrar and Transfer Agent, TSX Trust Company, 301 - 100 Adelaide Street West, Toronto, Ontario, M5H 4H1, at least 48 hours before the time of the Meeting or any adjournment thereof, excluding Saturdays and holidays, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.**

The Proxy must be dated and be signed by the shareholder or by his attorney in writing, or if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

In addition to revocation in any other manner permitted by law, a shareholder may revoke a Proxy either by (a) signing a Proxy bearing a later date and depositing it at the place and within the time aforesaid, or (b) signing and dating a written notice of revocation (in the same manner as the Proxy is required to be executed as set out in the notes to the Proxy) and either depositing it at the place and within the time aforesaid or with the Chairman of the Meeting on the day of the Meeting or on

the day of any adjournment thereof, or (c) registering with the scrutineer at the Meeting as a shareholder present in person, whereupon such Proxy shall be deemed to have been revoked.

NON-REGISTERED HOLDERS OF COMPANY'S SHARES

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the Common shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common shares. More particularly, a person is not a Registered Shareholder in respect of Common shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the Common shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency of which the Intermediary is a participant. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration for the Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms).

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "NOBOs". Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "OBOs".

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has elected to send the Notice of Meeting, this Information Circular and the Proxy (collectively, the "Meeting Materials") directly to the NOBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Company does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs. As a result, OBOs will not receive the Meeting Materials unless the Intermediary assumes the costs of delivery.

Meeting Materials sent to Non-Registered Holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a "VIF"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it a Non-Registered Holder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to registered shareholders unless specifically stated otherwise.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed form of Proxy will vote the shares in respect of which they are appointed and, where directions are given by the shareholder in respect of voting for or against any resolution will do so in accordance with such direction.

In the absence of any direction in the Proxy, it is intended that such shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Information Circular. The form of Proxy enclosed, when properly signed, confers discretionary authority with respect to amendments or variations to any matters, which may properly be brought before the Meeting. At the time of printing of this Information Circular, Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters, which are not now known to the Management, should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or senior officers of the Company, no proposed nominee for election as a director of the Company, none of the persons who have been directors or senior officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, save and except for those matters pertaining to the interests of individuals who are eligible participants under the Stock Option Plan (as defined herein) in the approval of the Stock Option Plan, as more particularly set out under "Particulars of Matters to be Acted Upon – Approval of Stock Option Plan".

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common shares without par value. On September 30, 2024, the record date of the Meeting, 323,189,058 Common shares were issued and outstanding, each share carrying the right to one vote. At a general meeting of the Company, on a show of hands, every shareholder present in person shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he is the holder.

Only shareholders of record on the close of business on the September 30, 2024, who either personally attend the Meeting or who complete and deliver a Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her shares voted at the Meeting or any adjournment thereof.

The underlying purpose of the Plan is to attract and motivate directors, officers, employees and consultants of the Company and to advance the interests of the Company by affording such persons with the opportunity to acquire an equity interest in the Company through rights granted under the Plan to purchase shares of the Company. The plan was last approved by the shareholders of the Company on December 5, 2023.

Williams, who is also a director of the Company. The Company is not party to any other formal, written employment, consulting or management agreements with any NEO or director.

Oversight and Description of Director and NEO Compensation

The Compensation/Corporate Governance Committee has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards.

The Company's compensation philosophy for executive officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;
- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Company and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Company's executive officers, the Compensation/Corporate Governance Committee takes into consideration a variety of factors, including the overall financial and operating performance of the Company, and the Compensation/Corporate Governance Committee's and the Board's overall assessment of:

- (a) each executive officer's individual performance and contribution towards meeting corporate objectives;
- (b) each executive officer's level of responsibility,
- (c) each executive officer's length of service; and
- (d) industry comparables.

As part of its executive compensation assessment, the Compensation/Corporate Governance Committee also compares its executive compensation packages against those awarded by a comparator group of companies that are listed on the TSX Venture Exchange ("TSX-V") and comparable markets.

The Compensation/Corporate Governance Committee obtains executive compensation data from third-party providers of compensation data in the local Vancouver mineral exploration sector. The Compensation/Corporate Governance Committee intends to agree annually and on an as-needed basis, with input from management, on the specific work to be undertaken from time to time by external human resources consultants.

The Compensation/Corporate Governance Committee has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards.

The Compensation/Corporate Governance Committee is composed of David J. Baker (Chair), Doug Flegg and Michael J. Williams, of whom David J. Baker and Doug Flegg are "independent directors" as defined under applicable Canadian securities laws at the relevant times. See "Corporate Governance – Board of Directors".

Compensation Mix

In keeping with the Company's philosophy to link senior executive compensation to corporate performance and to motivate senior executives to achieve exceptional levels of performance, the Company has adopted a model that includes both base salary or consulting fees and "at-risk" compensation, comprised of participation in the Plan, as described below. In addition, the Company may award performance bonuses based on executives meeting short-term performance milestones.

Base Salary - Fees

Base salary and consulting fee levels reflect the fixed component of pay that compensates executives for fulfilling their roles and responsibilities and assists in the attraction and retention of highly qualified executives. Base salaries are reviewed annually to ensure they reflect each respective executive's performance and experience in fulfilling his or her role and to ensure executive retention. Currently base salaries and consulting fees are set at below industry standard levels to make more capital available for development of the Company's assets. Compensation is made up with the provision of stock options (see below for description). Salary and consulting fee levels will be reviewed and revised as the Company grows.

Stock Option Plan (Stock Options)

Long-term incentives are performance-based grants of stock options. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options are based on:

- (a) the executive's performance;
- (b) the executive's level of responsibility within the Company;
- (c) the number and exercise price of options previously issued to the executive;
- (d) the difference between the executive's salary and that paid by comparable companies; and
- (e) the overall aggregate total compensation package provided to the executive. A Black-Scholes valuation is used to determine the value of any long-term options allocated.

The Compensation/Corporate Governance Committee makes recommendations to the Board concerning the Plan based on the above criteria. Options are typically granted on an annual basis in connection with the review of executives' compensation packages. Options may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

Chief Executive Officer Compensation

The components of Chief Executive Officer compensation are the same as those which apply to the other senior executive officers of the Company, namely base salary or consulting fees, long-term equity incentives and discretionary performance bonuses (which are subject to targets being achieved). The Compensation/Corporate Governance Committee presents its recommendations to the Board with respect to the Chief Executive Officer's compensation. In setting the recommended salary or consulting fees of the Chief Executive Officer, the Compensation/Corporate Governance Committee takes into

consideration the recommendations of independent consultants and the salaries or fees paid to other chief executive officers in the mineral exploration industry. In setting the salary or fees, performance bonus and long-term incentives for the Chief Executive Officer, the Compensation/Corporate Governance Committee evaluates the performance of the Chief Executive Officer in light of his impact on the achievement of the Company's goals and objectives.

Termination and Change of Control Benefits

The Company has an agreement with Octavian Capital Corp, for the services of Michael J. Williams in his capacity as President, CEO, and Director whereby the Company will be obligated to pay Octavian Capital Corp. an amount equal to thirty months compensation on that date in the event of termination without cause or resignation with good cause. In the event of a change of control, if within twelve months following a change of control of the Company, Octavian Capital Corp.'s engagement is terminated by the Company without good cause or, Octavian Capital Corp. terminates its agreement with or without good cause at any time within twelve months after a change of control, in either case, it will receive as severance an amount equal to thirty months annual compensation as at that date.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

At no time since the commencement of the Company's most recent completed financial year was a recommendation of the Committee to nominate or compensate an external auditor not adopted by the Board.

Reliance on Certain Exemptions

At no time since the commencement of the Company's most recently completed financial year has the Company relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis Non-audit Services*), or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

Pre-Approval Policies and Procedures

The Committee has adopted specific policies and procedures for the engagement of non-audit services as described above under the heading "Audit Committee Charter - External Auditors".

External Auditor Service Fees (By Category)

The aggregate fees billed by the Company's external auditors in each of the last two most recently completed fiscal years for audit fees are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees⁽¹⁾	Tax Fees⁽²⁾	All Other Fees⁽³⁾
2024	\$28,000	nil	nil	nil
2023	\$25,000	nil	nil	nil

(1) Fees charged for assurance and related services reasonably related to the performance of an audit, and not included under "Audit Fees".

(2) Fees charged for tax compliance, tax advice and tax planning services.

(3) Fees for services other than disclosed in any other column.

Exemption in Section 6.1 of NI 52-110

The Company is relying on the exemption in Section 6.1 of NI 52-110 from the requirement of Parts 3 (Composition of the Audit Committee) and 5 (Reporting Obligations) of NI 52-110.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Policy 58-101 *Disclosure of Corporate Governance Practices* ("NP 58-101") the Company is required to disclose its corporate governance practices, as summarized below. The Board will continue to monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

Board of Directors

The Board is currently composed of four directors, Messrs. Michael J. Williams, Peter Voulgaris, David J. Baker and Doug Flegg. All the proposed nominees are current directors of the Company.

NP 58-101 suggests that the board of directors of a public company should but are not required to be constituted with a majority of individuals who qualify as "independent" directors. An "independent" director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to materially interfere with the director's ability to act with a view to the best interests of the Company, other than interests and relationships arising from shareholding. Of the proposed nominees of the Company, David J. Baker and Doug Flegg are considered by the Board to be "independent" within the meaning of NP 58-101. Michael J. Williams (CEO & President) and Peter Voulgaris who is a founder of one of the Company's properties and receives a monthly fee are considered to be "non-independent".

The independent directors exercise their responsibilities for independent oversight of management and meet independently of management whenever deemed necessary.

Directorships

The following directors of the Company also serve as directors of other reporting issuers:

Director	Other Reporting Issuer(s)
Michael J. Williams	Full Metal Minerals Ltd. Aftermath Silver Ltd. Vortex Metals Inc.
Doug Flegg	Satori Resources Inc.
Peter Voulgaris	Full Metal Minerals Ltd.

Orientation and Continuing Education

Each new director is given an outline of the nature of the Company's business, its corporate strategy, and current issues within the Company. New directors are also required to meet with management of the Company to discuss and better understand the Company's business and are given the opportunity to meet with counsel to the Company to discuss their legal obligations as directors of the Company.

In addition, management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX-V to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Board has adopted a written Code of Ethical Conduct (the "Code") for its directors, officers and employees. As one measure to ensure compliance with the Code, the Board has also established a Whistleblower Policy which details complaint procedure for financial concerns. The full text of these standards is available free of charge to any person upon request to the Company by mail to: 1500 – 409 Granville Street, Vancouver, British Columbia V6C 1T2 (Telephone: (604) 484-7855).

In addition, as some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities, the Board must comply with the conflict of interest provisions of the British Columbia *Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke any such conflict.

Nomination of Directors

The Company's management is continually in contact with individuals involved in the mining exploration industry and public sector resource issuers. From these sources the Company has made numerous contacts and in the event that the Company were in a position to nominate any new directors, such individuals would be brought to the attention of the Board. The Company conducts due diligence, reference and background checks on any suitable candidate. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required and a willingness to serve.

Compensation and Corporate Governance Committee

The Compensation/Corporate Governance committee is responsible for reviewing all overall compensation strategy, objectives and policies; annually reviewing and assessing the performance of the

executive officers; recommending to the Board the compensation of the executive officers; reviewing executive appointments; and recommending the adequacy and form of directors' compensation.

Currently, the members are David J. Baker (Chair), Doug Flegg, and Michael J. Williams, of whom David J. Baker and Doug Flegg are independent directors.

Compensation of Directors

The Board of Directors have formed a Compensation/Corporate Governance Committee to monitor and review the salary and benefits of its executive officers, and the Company's general compensation structure, policies and programs in consideration of industry standards and the Company's financial situation. The Compensation/Corporate Governance Committee will also be responsible for determining the compensation of the directors who currently are not compensated in their capacity as directors but do receive stock options.

Other Board Committees

At present, the Company has an Audit Committee and a Compensation/Corporate Governance Committee. The Company has no present intention of creating any other committees, but may do so in the future should its Board become larger.

Assessments

Neither the Company nor the Board has determined formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of any individual director are informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

Nomination and Assessment

The Board determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President and Chief Executive Officer. The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions.

Expectations of Management

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

Where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may also be issued Options. The Option Price under each Option shall be not less than the Market Price on the Grant Date less the applicable discount permitted under the policies of the Exchanges or, if the Shares are not listed on any Exchange, less 25%. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years after the Grant Date, subject

to the operation of section 4.1. Options shall not be assignable or transferable by the Optionee.

3.2 Limits on Shares Issuable on Exercise of Options

The maximum aggregate number of Shares that are issuable pursuant to Security Based Compensation granted or issued under the Plan and all of the Company's other previously established or proposed Security Based Compensation plans (to which the following limits apply under Exchange policies):

- (a) to all Optionees as a group (including for greater certainty Insiders (as a group)) shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis at any point in time;
- (b) to Insiders (as a group) in any 12-month period shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, unless the Company has obtained the requisite disinterested shareholder approval pursuant to applicable Exchange policies;
- (c) to any one Optionee (including, where permitted under applicable policies of the Exchanges, any companies that are wholly owned by such Optionee) in any 12-month period shall not exceed 5% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, unless the Company has obtained the requisite disinterested shareholder approval pursuant to applicable Exchange policies.
- (d) to any one Consultant in any 12-month period shall not exceed 2% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date;
- (e) to Investor Relations Service Providers (as a group) in any 12-month period shall not exceed 2% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date, and Investor Relations Service Providers shall not be eligible to receive any Security Based Compensation other than Options if the Shares are listed on the TSX Venture Exchange at the time of any issuance or grant; and
- (f) to Eligible Charitable Organizations (as a group) shall not exceed 1% of the total number of issued and outstanding Shares on a non-diluted basis on the Grant Date.

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. In respect of Options granted to Employees, Consultants, Consultant Companies or Management Company Employees, the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan. All Options shall be subject to any applicable resale restrictions pursuant to applicable securities laws. In addition, Options and Option Shares that are subject to the Exchange Hold Period pursuant to TSXV Policy 1.1 must be legended with the Exchange Hold Period commencing on the Grant Date, and the Option Agreement shall contain any applicable resale restriction or Exchange Hold Period.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to the operation of this section 4 of the Plan with respect to the conditions and acceleration of the vesting of an Option and the acceleration and extension of the Expiry Date of an Option, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. Pacific Time on the Expiry Date and shall not be exercisable thereafter. In the event that the Expiry Date of an Option falls during a trading blackout period imposed by the Company (the "**Blackout Period**"), the Expiry Date of such Option shall automatically be extended

to a date which is ten (10) trading days following the end of such Blackout Period (the “**Extension Period**”), subject to no cease trade order being in place under applicable securities laws; provided that if an additional Blackout Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Blackout Period to enable the exercise of such Option within ten (10) trading days following the end of the last imposed Blackout Period.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Option Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Option Share. Upon notice and payment there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's cheque payable to the Company or such other method of cash payment as is acceptable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque or other method of cash payment, as the case may be, is not honoured upon presentation in which case the Option shall not have been validly exercised.

4.3 Vesting of Option Shares

The Board, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at the time of granting an Option, and subject to the other limits on Option grants set out in Section 3.2 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Investor Relations Service Providers, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date;

(b) Termination For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option

then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

(d) Spin-Out Transactions

If pursuant to the operation of sub-section 5.3(c) an Optionee receives options (the "**New Options**") to purchase securities of another company (the "**New Company**") in respect of the Optionee's Options (the "**Subject Options**"), subject to the prior approval of the Exchanges, the New Options shall expire on the earlier of: (i) the Expiry Date of the Subject Options; (ii) if the Optionee does not become an Eligible Person in respect of the New Company, the date that the Subject Options expire pursuant to sub-section 4.4(a), (b) or (c), as applicable; (iii) if the Optionee becomes an Eligible Person in respect of the New Company, the date that the New Options expire pursuant to the terms of the New Company's stock option plan that correspond to sub-section 4.4(a), (b) or (c) hereof; and (iv) the date that is one (1) year after the Optionee ceases to be an Eligible Person in respect of the New Company or such shorter period as determined by the Board.

(e) Eligible Charitable Organizations

If the Optionee ceases to be an Eligible Person due to no longer being an Eligible Charitable Organization, the Options then held by that Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the date the Optionee ceases to be an Eligible Person.

Notwithstanding the foregoing, the Board may, in its sole discretion if it determines such is in the best interests of the Company and subject to the policies of the Exchanges, extend the early Expiry Date (as set out above in this section 4.4) of any Option held by an Optionee who ceases to be an Eligible Person to a later date within a reasonable period, subject to such period not exceeding 12 months from the date the Optionee ceases to be an Eligible Person.

For purposes of this section 4.4, the dates of death, Disability, termination, retirement, voluntary resignation, ceasing to be an Eligible Person and incapacity shall be interpreted to be without regard to any period of notice (statutory or otherwise) or whether the Optionee or his or her estate continues thereafter to receive any compensatory payments from the Company or is paid salary by the Company in lieu of notice of termination.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this section 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchanges with respect to Investor Relations Service Providers) all Option Shares subject to such Offer will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to section 4.3 shall be reinstated. If any Option Shares are returned to the Company under this section 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer and subject to the approval of the Exchanges with respect to Investor Relations Service Providers, declare all Option Shares issuable upon the exercise of Options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days of notice is required and more than 30 days of notice is not required.

4.7 Compulsory Acquisition or Going Private Transaction

If and whenever, following a take-over bid or issuer bid, there shall be a compulsory acquisition of the Shares pursuant to Division 6 of the *Business Corporations Act* (British Columbia) or any successor or similar legislation, or any amalgamation, merger or arrangement in which securities acquired in a formal take-over bid may be voted under the conditions described in Section 8.2 of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, then following the date upon which such compulsory acquisition, amalgamation, merger or arrangement is effective, an Optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Option Shares to which such Optionee was theretofore entitled to purchase upon the exercise of his or her Options, the aggregate amount of cash, shares, other securities or other property which such Optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Option Shares to the take-over bid.

4.8 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges with respect to Investor Relations Service Providers or if otherwise necessary.

4.9 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.10 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has been settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised may be made the subject of a further Option pursuant to the provisions of the Plan.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Subject to the prior approval of the Exchanges (other than in the case of a Share subdivision or consolidation), whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection 5.1 (a)(ii).

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Share Reorganization.

5.2 Special Distribution

Unless the Company is listed on the TSX Venture Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;

- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges, provided that no adjustment pursuant to the operation of section 5.2 may occur while the Company is listed on the TSX Venture Exchange), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Subject to the prior approval of the Exchanges, whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities;
- (c) an arrangement or other transaction under which, among other things, the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company, or both; or
- (d) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he/she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he/she would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he/she had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be

binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of sections 5.1, 5.2 or 5.3 is subject to the prior approval of the Exchanges and any other governmental authority having jurisdiction, provided that no adjustment pursuant to the operation of section 5.2 may occur while the Company is listed on the TSX Venture Exchange. Notwithstanding the foregoing, adjustments pursuant to section 5.1 due to a Share subdivision or consolidation do not require prior approval of the Exchanges.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective upon the approval of the Plan by the Board and the Exchange or any regulatory authority having jurisdiction over the securities of the Company and shall be ratified thereafter by the shareholders of the Company by way of an ordinary resolution at the next duly convened meeting of the shareholders of the Company. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price, or any extension of the term, of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. In addition, any amendment to an Option (including any cancellation of an Option and subsequent grant of a new Option to the same Person within one year) that results in a benefit to an Insider of the Company at the time of amendment will be subject to disinterested shareholder approval (as required by the Exchanges). The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Board shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4 and subject to any required prior Exchange approval, the interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Withholding Taxes

The exercise of each Option granted under the Plan is subject to the condition that if at any time the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that the Optionee pay to the Company, in addition to and in the same manner as the exercise price for the Shares, such amount as the Company is obliged to remit to the relevant tax authority in respect of the exercise of the Option. Alternatively, the Company shall have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares acquired upon exercise of any Option, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to an Optionee by the Company, whether or not such amounts

are payable under the Plan. For greater certainty, the application of this section 6.4 to any exercise of an Option shall not conflict with the policies of the Exchanges that are in effect at the relevant time and the Company will obtain prior Exchange acceptance and/or shareholder approval of any application of this section 6.4 if required pursuant to such policies.

6.5 Amendments to the Plan

The Board may from time to time, subject to applicable law and to the prior approval, if required, of the shareholders (or disinterested shareholders, if required), Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment or Transfer

No Optionee may assign or transfer any of his or her rights under the Plan or any option granted thereunder. Notwithstanding the foregoing, where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may be issued Options.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Previously Granted Options

Stock options which are outstanding under pre-existing stock option plan(s) of the Company as of the effective date of this Plan shall continue to be exercisable and shall be deemed to be governed by and be subject to the terms and conditions of this Plan except to the extent that the terms of this Plan are more restrictive than the terms of such pre-existing plan(s) under which such stock options were originally granted, in which case the applicable pre-existing plan(s) shall govern, provided that any stock options granted, issued or amended after November 23, 2021 must comply with TSXV Policy 4.4 - *Incentive Stock Options (as at November 24, 2021)*.

6.12 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.13 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the province of British Columbia.

6.14 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.15 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

Approved by the Board of Directors of the Company effective October 24, 2022.
